

Award for Doyle Machinery

Most successful dealer in the history of ARJES

ARJES GmbH has honored its long-standing sales partner [Doyle Machinery Ltd](#) from the United Kingdom with a special award: As the most successful dealer in the company's history, Doyle Machinery has sold a total of 250 ARJES machines since the beginning of the partnership in 2016, covering the markets of the United Kingdom, Ireland, and South Africa.

On September 25, 2025, a celebratory ceremony was held at the ARJES factory to present the certificate of recognition: to Managing Director and company owner William Doyle, along with the anniversary machine. The award was presented by Thomas Hayn (Managing Director of ARJES GmbH) and Nikolaus Leitner (Managing Director of [RBG GmbH](#) and shareholder of ARJES GmbH). William Doyle was accompanied by his son Michael Doyle, Commercial Director of Doyle Machinery, as well as Elke Ernest, ARJES' long-time dealer support manager.

"Doyle Machinery is far more than a traditional dealer for us. Over the past years, we have successfully implemented numerous projects together, resulting in an unparalleled success story across the UK. The extraordinary dedication and close customer relationships on site make Doyle Machinery an indispensable partner for the entire ARJES [product portfolio](#)," emphasized Thomas Hayn.

As the exclusive ARJES dealer for the United Kingdom, Ireland, and South Africa, Doyle Machinery has been offering not only sales but also service, spare parts, and comprehensive customer support since 2016. This has earned the company an excellent reputation within the recycling and waste management industries of these regions.

We congratulate Willie Doyle and the entire Doyle Machinery team on this special achievement and look forward to many more successful years and exciting projects that will go beyond the proven two-shaft shredders. More about this will be revealed by ARJES GmbH during IFAT Munich 2026.
